

# Sporting Life

There are so many opportunities for students to participate in an assortment of sporting activities at a level of their choice. We believe that sport enables students to develop both physical and emotional skills encouraging participation, confidence and success.

The College offers a selection of individual and team sports, represented at local, state and national levels. The College is one of the most successful regional schools in Victoria, with multiple individuals and teams qualifying in State finals each year across a wide variety of sports.

House competitions in swimming, athletics and at break times through the school day provide great competition and friendly rivalry.
