REMOTE LEARNING PLATFORMS AT CATHERINE MCAULEY COLLEGE

CMC students can access learning when away from school through a variety of online platforms. In this way, the student can be supported if the absence is for a short period of time or for longer periods.

PLATFORM	LINK	USE
PAM	 https://pam.cmc.vic.edu.au/login	The Parent Access Module (PAM) is the central space for communication with teachers
Outlook Email		All communication between staff and students or parents will use the @cmc.vic.edu.au account provided. All coursework should be available in SIMON rather than emailed to students.
SIMON	 https://simon.cmc.vic.edu.au/	All course material, assessment tasks and discussion occur within SIMON – go to 'Learning Areas', select your subject and check out the Class Resources section.
Google Classrooms	 https://classroom.google.com/	Collaboration, planning and shared documents

<p>Google Meet</p>		<p>Video communication can use Google Meet platform. “Meet” is part of the Google Drive suite and is a simple and effective tool for video conferencing. You can turn your camera off or on at any time. The conference can be recorded by the teacher. This will be used for running interactive classes remotely, with all classes being recorded and uploaded to google drive for students to view later if unable to join at the time of the class.</p>
