

VAPING

INFORMATION NIGHT

We invite you to a Community Information Night where we will be talking about vaping and e-cigarettes. Young people, parents, carers and others concerned about this issue are encouraged to come along.

Topics we will cover include:

- How to talk with young people about vaping
- Vaping and the impacts on your health
- Nicotine and addiction

When: 5.30pm, Wednesday
October 12

Where: Online

Registrations: [Click here](#) or scan the QR code:
