

# Sporting Life

At CMC, sport enables students to develop both physical and emotional skills encouraging participation, confidence and success. We provide opportunities at a variety of levels for students to participate.

Catherine McAuley College offers a selection of individual and team sports, represented at local,

state and national levels. The College is one of the most successful regional schools in Victoria, with multiple individuals and teams qualifying in State finals each year across a wide variety of sports.

House competitions in swimming, athletics and at break times through the school day provide great competition and friendly rivalry.
