Participation in this camp experience provides a significant connection to our Virtues curriculum from both Semester 1 and Semester 2. The Year 10 Camp is a memorable and significant highlight of the student's Year 10 experience at Catherine McAuley College and all students are expected to attend.

Due to the number of students to be catered for, and the restrictions of numbers able to visit certain venues, students are not able to swap camp groups. Students have been given the opportunity to nominate peers to share accommodation with and every attempt will be made to allocate a room with at least one of the nominated peers, provided they are on the same camp.

While on camp, all students will be accommodated at the Miami Hotel West Melbourne, in school dormitory style rooms.

PARENT/CARER PAM CONSENT

Please provide consent on PAM for your child to attend the camp. Please also ensure that you have provided up-to-date medical and dietary information. Please review parent and emergency contact details to ensure families can be contacted if required. Student mobile numbers are being collected via PAM permission and will only be used for camp purposes, including emergency contact and navigation assistance.

TRANSPORT

Students will be transported to and from Melbourne by bus. While on camp, students will walk and use public transport to access venues and activities.

ACTIVITIES INCLUDE:

- Various careers venues around Melbourne, including but not limited to: William Angliss College, Elly Lukas Beauty Therapy College, RMIT, Australian Defence Force, Swinburne at Richmond, University of Melbourne, KANGAN ACE @ Docklands and Master Builders Association
- Shrine of Remembrance
- Melbourne Jewish Museum or Melbourne Holocaust Centre
- Islamic Museum
- Koori Heritage Walk
- The Big Issue Magazine
- Navigation of the Melbourne CBD, including active transport and use of Public Transport Victoria services

MOBILE PHONES/IPODS/MP3 PLAYERS/CAMERAS

Students are allowed to bring mobile phones, cameras and MP3 players and there is the expectation that students will use them in a responsible and courteous manner. Phones may be used for navigation and emergency communication while on camp. Responsible conduct, consistent with

College expectations, will be discussed with students prior to departure. Misuse of phones may result in phones being removed from students and returned at the conclusion of the camp.

ILLNESS

Students are strongly encouraged to conduct a Rapid Antigen Test (RAT) at home on the morning of the camp and if positive will be asked not to attend.

Whilst on camp, if a student or staff member becomes ill, they may be requested to complete a RAT test (if showing symptoms of COVID-19). If a student or staff member returns a positive COVID-19 test result or is not well enough to continue with the nominated activities, a member of the school will contact the next of kin and they will be requested to come and collect them.

To ensure we limit any cross contamination the school will make best endeavours to quarantine the unwell member of the camp prior to being collected.

WHAT TO BRING

Students are to bring the following items with them to Camp:

- Morning tea and lunch for the first day
- Money for dinner (on the first night), and for lunch on the middle day of the camp
- Warm casual clothes - a coat is highly recommended
- Comfortable walking shoes
- Water bottle
- Toiletries
- Thongs/sandals for showers
- Towel (students who forget a towel will be charged \$3 to borrow a towel from the venue)
- Mobile phone and charger – the College does not accept responsibility for damage
- Students may wish to pack a small collapsible umbrella if they wish, or a rain jacket
- Students will need to bring pens on camp to complete tasks each day
- A Myki card with enough credit to complete two Zone 2 return journeys (approximately \$15)

MEALS ON CAMP

Breakfast will be provided daily on camp at the accommodation venue.

Students will need to bring their lunch with them for the first day of camp. The College will cater one other lunch and the students will need money to purchase lunch for the third day.

Students will need money for dinner for the first night of camp, with a range of options available at QV. The College will cater for dinner for the other evening, at a restaurant in Melbourne.

Students should pack snacks (muesli bars, crackers, fruit) that can be carried with them each day.

STUDENT EXPECTATION AND CONDUCT

Students are expected to operate as positive ambassadors for the College, in line with the Student Code of Conduct. Students will participate in a pre-camp briefing/assembly to outline the expectations of conduct on Year 10 Camp. This includes how students represent the College, conduct themselves in the accommodation and activity venues and interact with others.

Significant breaches of these expectations will result in families being contacted and students being removed from camps. This includes possession of items that are not allowed within schools. If misuse of any item occurs within a room at the accommodation venue that results in the call out of emergency services, all students accommodated within that room will share the cost of the callout.

Year 10 Camp promises to be a valuable experience for all and will complement many activities undertaken at the College. If you wish to discuss matters related to the camp, please contact your Student Advocate for additional advice. If there are questions or concerns with any required items for camp, please also make contact as soon as possible so that assistance can be organised to ensure participation in the Year 10 Camp experience.
