

You're invited to check out the new...

Mercy Junortoun Sporting Precinct

**From 4pm to 6pm on
Friday September 8, 2023.**

Come along, take a tour and celebrate the official opening of the \$25.9 Million Mercy Junortoun Sporting Precinct.

This is a great opportunity to inspect Junortoun's new junior sporting hub featuring state-of-the-art facilities for cricket, AFL, netball, soccer and basketball to support educational use during school hours and community use outside of school hours.

This project is a partnership between Catherine McAuley College, the City of Greater Bendigo, Cricket Australia, Cricket Victoria and the Victorian Government to provide much-needed new school and community joint-use sporting facilities at the Catherine McAuley College Coolock Campus in Junortoun.

This is your new sporting precinct and we'd love to see you on the day!

The redevelopment of the lower oval precinct has included:

- Construction of two junior-size ovals, one with lights
- Construction of one minimum-size senior oval, with lights and electronic scoreboard
- Construction of one full-size senior oval with turf cricket wicket (no lights)
- Construction of two outdoor netball courts with lighting
- Irrigation, access ways, pathways, landscaping, and car parking
- Goal posts and interchange benches

The new indoor sporting complex, amenities, and cricket hub, includes:

- Two-court indoor stadium with community and club social and meeting spaces, kitchen and kiosk spaces
- Local level AFL, Cricket Victoria, and Netball Victoria female-friendly changerooms and amenities, umpire changerooms, storage areas and first aid room
- External viewing area to all sports fields
- Cricket hub area including a six-lane cricket training net facility with operable walls, dedicated storage space and office administration area
