“Partnerships are valued at Catherine McAuley College, to create outstanding learning opportunities and better facilities for our students and the community.”

ABOUT

The Mercy Junortoun Sporting Precinct is a new school and community joint use sporting facility that has been developed in partnership with Catherine McAuley College, the City of Greater Bendigo, Cricket Australia, Cricket Victoria and the Victorian Government.

This state-of-the-art junior sporting hub is purposed for a range of sporting activities to support educational use during school hours and community use outside school hours.

“These stunning facilities will be of lasting benefit to our current and future students, and the Junortoun community.”

OUR PROGRAMS

Programs at Catherine McAuley College are inclusive, and learning settings are innovative, stimulating and continue to evolve from our master plan.

OUR VISION

As the population of Greater Bendigo continues to grow, so does the demand for more sporting and community facilities throughout the City. There is additional pressure in high growth areas such as Junortoun and Strathfieldsaye to cater for the growth in junior sport for boys and girls and the growing participation by women in cricket, AFL and soccer.

FACILITIES

The Mercy Junortoun Sporting Precinct comprises:

- irrigated sports fields
- indoor basketball courts and cricket nets
- AFL and soccer fields alongside netball courts
- social, meeting and catering spaces
- external viewing area to sports fields.
