

# CARITAS Ks DAY

Thursday 28 March 2024

Celebrate the end of term with a mix of reflection, fun and fundraising!

## FUNDRAISING FOR CARITAS

Our fundraising efforts on Caritas Ks Day contribute to Project Compassion's work in the local and global community. Your generous support has the potential to positively impact lives today - and For All Future Generations. Find out more about Caritas Australia's work at [www.caritas.org.au](http://www.caritas.org.au)

Funds raised from the BBQ, Walk for Water and fun activities will be in support of Caritas. Students are welcome to bring their own lunch if not intending to have a BBQ lunch. Please note that the canteen will be closed at lunchtime.

**Students are requested to please bring gold coins to participate in lunchtime activities and as a donation for the BBQ.**

## ABOUT THE DAY – COOLOCK

The Easter Liturgy and Spirit of Catherine Awards will be held in the Mercy Junortoun Sporting Precinct before students participate in the Walk for Water onsite at Coolock. Students will compete in houses to carry buckets of water around the perimeter of a set course, representing the distance that many children must walk daily to find water.

## WALK FOR WATER FUNDRAISING

Students are encouraged to gain sponsors for their Walk for Water. Sponsorships can be gained through the College TryBooking page. All donations received go directly to Caritas Australia.
